## Remote Learning

Hello everyone, I am very excited to announce that school will be reopening on Monday 8th March. We will still be having staggered starts and break times but children will be back together in their classes, this time with 30 children in each bubble.

It is still very important that pupils continue to attend online lessons until then as they will need to be ready for the challenges ahead. School dinners will also be returning on the 8th March and pupils will be given a choice of hot meals which they will eat in their classroom.

I will be posting more information on Tapestry, Class Dojo and Seesaw next week so that all parents and carers are kept up-to-date and know what time and what gate their children will be expected to enter at on **Monday 8th March**.

This week's Remote Learning Champion is **Ensendo Sula**. He produced an incredible 3D sculpture of a Mayan face mask!

### Remote Learning Champion

**Ensendo Sula**

### Mr Paffetti's Challenge

This week's challenge is to write a poem about your favourite animal or food.

## Attendance

Attendance during our remote learning lessons is incredibly important. Teachers are sharing daily lessons so that pupils do not fall behind in their learning. If there are any problems that mean your child cannot access remote lessons, please contact the Head of Academy.

## The Wonder Wall

This page showcases the best work completed by children each week. These children have set the standard which we want all children to reach.
